Travel Restrictions

- Tasmania - Vehicles cannot be driven or taken into or out of Tasmania via Ferry.
- Alpine Resorts - Vehicles cannot be driven above the snowline.
- Unsealed roads - cannot drive on unsealed roads, except roads under repair and direct access roads to National Parks, State Parks or holiday accommodation (excluding Kangaroo Island where cars cannot be driven on unsealed roads at all).
- Beach/Salt Water - Vehicles cannot be taken on any beach or be taken into or exposed to salt.
Vehicles cannot be taken to Fraser Island.

- South Australia - No vehicle may be driven north from the Oodnadatta Track. This includes the following areas: Dalhousie Springs, Mount Dare, Witjira National Park, Pedirka Desert
- Kangaroo Island - 2WD vehicles may be taken to Kangaroo Island.
- Standard terms and conditions apply if a vehicle is damaged on the ferry.
- One way rentals are not available to/from the Island.
- 2wd vehicles are not to be driven on unsealed roads on Kangaroo Island. This policy is strictly enforced.
Failure to comply will result with the renter accepting full responsibility for all damages.
- Dusk to Dawn Driving - Night driving is not allowed in any region designated as remote (Northern Territory, Kimberley, Exmouth, Kangaroo Island). This is a road safety issue. If an accident occurs between dusk and dawn the renter is responsible for all damage irrespective of the circumstances.
- Trains - Vehicles may be taken on trains.

Change of Drop Off Destination

If the renter wishes to change the drop off destination after the rental has commenced, they first must obtain authorisation from Head Office. Subject to the change being approved, a minimum additional charge of \$700 will apply.

Rental Extension

If the customer wishes to extend the rental whilst on hire, they must first obtain authorisation from Reservations who will advise of the additional costs. Rental extension is subject to fleet availability. Additional days will be charged, direct to the client, at the local "Extra Days" rate.

Failure to obtain authorisation will result in the renter being charged double the daily gross rental rate.

Infringements Fees

We reserve the right to charge the renter for any speeding, toll way or parking fines not reported on return of the vehicle. In addition to these costs, we reserve the right to charge for associated administration costs for processing the fines (irrespective of excess). An infringement administration fee of \$33 will be applicable.

Tollway Infringements

Most toll roads in Australia are fully electronic – i.e.: there are no toll booths to pay with cash. If a renter chooses not to purchase available "e-passes" they will be liable for any applicable toll charges plus the Hertz Infringement administration fee.

Roadside Assistance

In the unlikely event of your vehicle being disabled, we offer a 24 hour Roadside Assistance service. Please call 1800 996010 if this service is required.

If a breakdown occurs in any areas outside major cities including the Northern Territory, Roadside Assistance may take extended hours to fulfil

Change Of Vehicle

Should the vehicle booked be unavailable through unforeseen circumstances, we reserve the right to substitute an alternative vehicle without prior notification and at no extra cost. This shall not constitute a breach of contract and does not entitle the renter to a refund.

Vehicle Category

Vehicles cannot be requested by make or model, only by vehicle category.

Voluntary Downgrade

Should the renter decide to take a lesser vehicle than booked within 14 days of pick up or during the rental then they will not be entitled to any refund.

Limit of Liability

In the event of no alternative vehicle being available to the renter our liability is limited to a refund of the hire charge or in the case of mechanical failure (unless caused by the renter) the remainder of the hire period.

Important

We reserve the right to refuse any rental at our discretion.

Animals

No animals are permitted in our vehicles, excluding guide dogs.

Smoking

Smoking is not allowed in our vehicles.

Cancellation Fees

If cancelled less than 7 days prior to pick up - 50% of Net Rental

If cancelled on the day of pick up or no show - 100% of Net Rental

There is no refund for late pick up or early return of vehicle.

Booking Amendments

If an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pick up or if notification occurs during the hire.

Travel Insurance

We strongly recommend that renters ensure they take out the highest level of Travel Insurance.

PROTECTION PACKAGE

Personal Injury

The Vehicle has third party insurance cover. It is likely that any other vehicle involved in an accident also has third party insurance cover. Depending on the circumstances of the accident, the renter may be entitled to claim for their personal injury against the third party insurance of the party responsible for the accident. The extent of such third party insurance varies in different States and Territories and Apollo strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

If the renter is responsible for the accident the Vehicle's third party insurance should cover the renter for the liability except where the renter has committed a breach of the Vehicle's third party insurance, eg drink driving.

Property Damage

The Vehicle is insured for damage to it or damage to the property of a third party. However the renter is responsible up to the amount of the applicable Liability for the cost of such damage to third party property, or to the rented Vehicle. The renter is also responsible for the cost of demurrage for the period the Vehicle is unavailable due to repairs. The Liability applies in respect of each claim, not per rental.

The Liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo, not at the completion of the rental Period. Apollo reserves the right to charge the renter for any vehicle damage including Third Party property damage not reported on return of the vehicle.
